

4-5 April, 2019
OGR, Turin

droidcon Italy

sponsorship prospectus

The Android community is **amazingly inspiring** and droidcons are an ideal place to meet many of the awesome people that it consists of.

Ben Weiss

Engineer @Google,
Keynote Speaker 2018

droidcon Italy brings together an audience of **talented Android developers** and we're delighted to be sponsors again and to be able to share the **latest information** on Bluetooth mesh technology.

Bluetooth

Sponsor 2016 - 2018

Finally met in person with developers from the Italian community who I only knew online, and it was both a great speaking and **learning experience**.

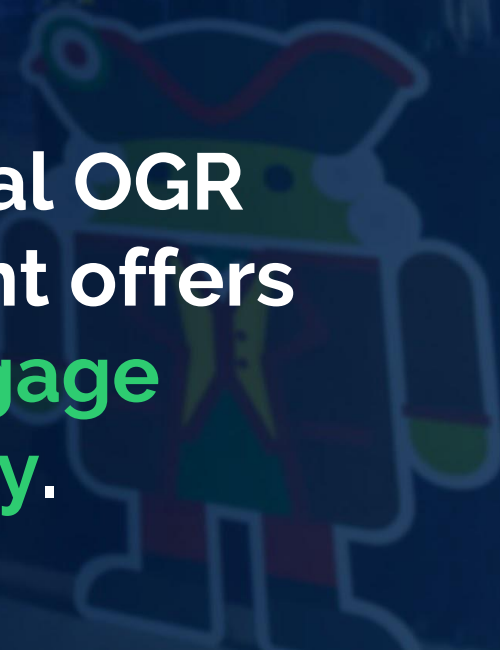

Lisa Wray

Android developer @ Present.co
Keynote Speaker 2017 & 2018

droidcon Turin, now in its **sixth year**,
brings together **1000+ Android**
engineers and developers.

Hosted at the post-industrial OGR
complex, the droidcon event offers
unique opportunities to engage
with the Android community.
